

**Our Church Matters** Our Mission: Growing Together in Christ Through Worship, Fellowship, Witness and Service

# July 2015 Issue 7

#### FROM THE PASTOR

In the adult VBS class, we read a great story of a pastor who stopped at a convenience-type gas station and filled his tank. When he went into the store to pay for the gas, he saw another item that he wanted to buy. When he got to the counter, the clerk collected the payment and the pastor left the store.

However, as he walked to his car, the pastor noticed that the clerk had not charged him for the item he picked up in the store. He turned around, stood in line again and when it was his turn, the pastor told the clerk that there was an error. The clerk replied, "I know." The pastor persevered, explaining that he had not been charged for the second item. Again, the clerk replied, "I know."

The pastor said, "I don't understand." The clerk explained that he had worshiped at the pastor's church and he was looking for evidence that the pastor practiced what he preached.

The study book went on to say:

When we claim the title "Christian," people watch us. They want to see if we really do practice what we preach; if we ACT to walk our talk and live out our faith; if indeed faith becomes a verb for us.

I'm sure that we all understand that. But there are times when we forget. A careless word or action whether out in the community or inside the church walls or at a church event can affect whether a quick-mart clerk or high school student or young mother with a baby or ..... will feel that they want to be part of our faith family. Negative comments are often overheard, even when we think we're just talking to our best friends.

What kind of evangelist will you be???

#### Summer Worship Series—Faith at the Movies

Beginning Sunday, July 5, movies will offer us images of our faith from our culture. On Sunday, I will preach on some faith themes that I find in a movie, and on the following Wednesday at 7 pm, we will show the movie in our Fellowship Hall – with popcorn, of course!

On the first Wednesday, July 8, the Men's Fellowship will provide a **cookout dinner** (Slow Cooked Pork BBQ) with some sides for a freewill offering that will be given to a service project. Dinner will be served at 6:15 that evening.

Inside this issue

The films we will enjoy are as follows: July 5 and 8 – Captain America July 12 and 15 – Sister Act July 19 and 22 – Shrek July 26 and 29 – The Empire Strikes Back August 2 and 5 – The Lord of the Rings: Fellowship of the Ring

Please note that I will be away, directing camp at West River the week of July 5-10. If there are any emergencies during that time, please check with Robine in the office first or, after office hours, call my cell phone.

Finally, I just want to thank our young people for the amazing contribution they gave to our VBS! **Patrick Holsonbake** (with some help from his big sister Katie and his parents) built the awesome visual set for the week, complete with the road right down the middle of the sanctuary. **Katie Harry** was the acting genius (they call that "vocal actor!") behind Checkers the Cheetah. **Jason Waters** ran the sound board and video, and about 15 more of our youth (**Alyssa & Kara Morris, Lindsy Renner, Andrew & Jonathan Raab, Katie Holsonbake, Sophie & Grace Warfield, Ryan Outt, Kate & Brenna O'Connor, Angela Myers, Ben Morrison, Bobby Alexander and Niya Butler**) served as classroom assistants. The energy and enthusiasm they brought, along with their love for the younger kids was a blessing to us all!

I know that some of you are traveling, and I hope that you are either having a fabulous time away now or will be enjoying some vacation very soon! God works on our spirits as we play. Have a GREAT time!!

Blessings on you!

Vinian

#### RUMC's Man of the Year

RUMC's 2015 Man of the Year was born in May of 1972 to a young, single woman living in the town of Mount Vernon, Washington. Unable to care for a child at this stage in her life, this young girl decided to lovingly give him up for adoption. At the age of 3 weeks this baby was given to a young couple living in the Washington State area. With his adopted parents and subsequently 2 younger brothers, this child was raised in Washington State, Saudi Arabia, Texas, Virginia and finally in Maryland by the age of 15. He graduated high school from Bowie High School and attended Frostburg University, many community colleges and finally grad-

uated from UMBC with a bachelor's degree in Information Technology in 1995. His family recalls his fascination at an early age with all things technical and mechanical. For example, In the late 80's his parents bought their first computer only to find it taken apart by this teenager's curiosity and eagerness to find out how it worked. In 1995 he began his career in computer technology and network engineering.

In 1997, this young man was introduced to RUMC by his girlfriend,

Janice. Eager to impress her but also desiring to have fun and mentor the youth, he joined her and the other adult youth leaders of the church during Sunday night youth group meetings. He also chaperoned youth retreats and participated in annual RUMC Halloween parties and the youth group haunted house (he greatly enjoyed scaring the youth himself!).

In 1998, this man became a member of RUMC after marrying his girlfriend, Janice, by Frank Trotter on September 6, 1998. He has two

children, Katie and Patrick, who were both baptized at RUMC and who continue to be raised in this church.

In 2001, this young father was reunited with his birthmother, Judy Patrick, who now resides in Bakersfield, CA with her husband, Mike. He enjoys a loving relationship

with this family which includes a half-sister, Kayley and her husband, a half-brother, Ryan, and his wife with 6 nieces and nephews with the seventh nephew due any day.

In 2004, the church's VIM team was traveling to Maine and this young father decided that perhaps he could share some of his construction and mechanical talents with the team and

joined the trip. This was his first VIM trip and he has been hooked ever since. This man of the year has participated in every VIM trip since then for the past 10 years. He has gone with the VIM team to Mississippi, Louisiana, Florida, Colorado, Crisfield, MD, and Missouri and will be traveling to New Jersey with the team during the fall of this year. He greatly enjoys working with this great bunch of VIMers and

helping the many families who have suffered due to natural disasters such as hurricanes, tornados, and floods.

In 2005, this man participated in the church wide Bible Study, <u>The Purpose Driven Life</u> by Rick Warren. This 8 week small group study made a lasting impression on this man and on his spiritual journey. After completing this study, this man began to think of ways he could use some of his God given talents within RUMC and this is the result:

Throughout the past several years, this man has been "instrumental in the design, development and configuration of the media system that RUMC has today" as quoted by Dick Harden. Dick goes on to explain how this man worked diligently to install and run all the necessary cables, routing them throughout the walls and attic of RUMC. (When this man was slyly asked how many times he's been up in the attic of the church, his joking reply was "I'm not sure.

It was such a gross job that I've blocked it out of my memory!") He has not only been responsible for the architecture of the sound system within the church but also integrating the sound system with the computer system, working with its many quirks and intricacies. You can find him most Sundays back at the sound booth helping to make the worship service including all choral music sound as optimal as possible by each member of the congregation. He has been a regular customer at Bill's Music house in Catonsville getting this cable or that cable to update this system or that... They almost know his name!

In addition to designing and implementing the sound system of the church, this man has been responsible for the church's computer system, internet connectivity, the most recently updated phone system and for introduced wireless connectivity to the church and the 308 building. He has devoted hours upon hours working at the church, again running wires up and around the church, setting up equipment, working remotely from home and his office on the computer systems and phone services, and essentially being on 24 hour call when something is broken, needs updates...etc...

In addition to helping at RUMC, he has also helped set up computer systems and wireless connectivity at Pleasant Grove UMC and has helped with computer needs at the Westminster Rescue Mission And he continues to read "The Daily Hope" message by Rick Warren by email as part of his daily devotion.

This man has a loving and giving heart and will drop whatever he is doing to help anyone in need – from giving rides, helping to fix a computer, change a light bulb in the Fellowship Hall and does it all with a good nature, patience and a smile.

He has many hobbies which include all physical activities such as skiing, mountain bike riding, Marshall Arts, and body building. He enjoys traveling with his family in their fifth wheel trailer

and exploring all things in nature. However, his greatest love and weakness are things that are mechanical and that go FAST! He enjoys working on his cars and motorcycles, and has taught himself how to rebuild car and motorcycle engines. One of his greatest experiences was when he took the opportunity to learn how to race a C6 Corvette at the Bob Bondurant School of High Performance Driving in Arizona. However, even while there, he was able to give a dream of a lifetime to a paraplegic individual by driving this individual around the race track.

His other greatest love and accomplishment is his computer technology company that he started in August of 2004. This company has been both challenging and rewarding and has helped him

grow spiritually in his faith. He greatly enjoys the journey and the relationships that have developed. He simply desires to better all he meets and to attempt to be God's hands and feet. He attempts to be a true Servant Leader

and desires to provide the best work environment to his employees and customers.

Finally, this man of the year is a loving and devoted father and husband. He and his wife will be celebrating 17 years of marriage in September. He

has volunteered with many of his children's activities such as coaching little league baseball, assisting with Cub and Boy Scouts, being a stage manager for ballet productions, and has even danced for multiple years in "The Nutcracker" with his wife and daughter (but refuses to wear tights). Currently, he and Patrick take karate lessons together. He is greatly appreciated and loved by his family!

Congratulations to this year's Man of the Year:

Brian Holsonbake.

## UMW Reading Program

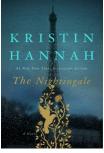

#### Attention RUMC Women!! Do you like to read? If so, please participate in the UMW Reading Program.

#### The purpose:

- Expand understanding of and participation in God's mission.
- Increase sensitivity to all human beings—their needs, interests and concerns.
- Encourage critical thinking about issues facing humanity today.
- Grow in understanding of Scripture as it relates to Christian faith in contemporary life.
- Enhance self-knowledge and act from that knowledge.
- Strengthen involvement in local and global Christian mission.

All books, the program brochure and the pamphlet to log your reading are available in the library on the shelf behind the desk. You will find the *Response* magazine available to read, as well. If you have any questions, please contact Kelly Fairhurst.

Book Club July 15 at Greenmount Station in Hampstead, Rt. 30. We will meet at the church parking lot at 6:00 to carpool. Dinner will be at 6:30. Our book for discussion is an exciting historical fiction by one of our favorite authors, Kristin Hannah. The story

takes place in France at the onset of WWII. Vianne, who lives in the countryside, and Isabelle, who lives in Paris, are two sisters who have always admired and loved one another. When Vianne's husband must leave his family to fight, Isabelle joins her sister to help. As the war and its horrors continue, the sisters' sense of morality and their own relationship are put to the test.

#### From the Shelves

<sup>k</sup> If you liked "The Secret Life of Bees" and/or "The Mermaid Chair," you'll be glad to know that our church library also has Sue Monk Kidd's latest novel, "The Invention of Wings." Set in Charleston, South

Carolina, right before the Civil War, it's historical fiction that deals with the anti-slavery movement. Our two narrators are real-life abolitionist and feminist Sarah Grimke and her fictional slave Handful. We meet them when Sarah receives Handful as a present on her eleventh birthday, and we watch as their relationship changes throughout the years as each girl determines what she wants out of life. Check it out for yourself in our church library. -Beth Waters

Kitty Litter and detergents but may also be packaging for other products.

If you have any or know anyone who does, please save them for me. We need about 30 by the end of September but I will take them whenever you have them.

The KO Team members decorate the buckets and they are used for the Guests to carry home the multitude of flowers they receive from the Kairos Outside, Kairos Inside, Emmaus and church com-

#### Visit us on the web

Have you been to the new website lately? Have you noticed we've made some changes? The navigation has changed a little and hopefully, will be easier for visitors to follow. Let us know your thoughts at rumcweb1777@gmail.com. Over the next several months we will break down each section so you know how to find all the information about RUMC. This month is all about the **Home Page**.

Our home page (rumcweb.org) is broken down into sections. The Navigation across the very top gives you and our visitors a quick way to get to key items

Clicking on the logo or the little house icon will take you to the home page. Mousing over **About, Worship, Grow, Serve, Give** and **Resources** will show you the information under each of those sections (more about each section in the months to come).

These two sections are displayed at the top of every page of the website so you can always get back Home.

The main section of the home page is the rotator (pictures that change). These show what is going on at RUMC, special messages (check here in the winter for announcements about closings) and special events. You can click on the picture to go to the page that contains more information.

The next section is a welcome message and our mission statement. Visitors can click on the "I'm New" to get some great introductory information about RUMC. Check it out!

The next section highlights our Food Pantry, pre-school and youth programs. Again, click on the picture for more information.

Keep scrolling down and you find the latest sermon and study guide, upcoming events and the latest news article. Groups are encouraged to send articles to <u>rumcweb1777@gmail.com</u> as well as the office as soon as an event has taken place so we can get the information out. Don't wait for the newsletter deadline; we need to keep the web current and interesting. And remember: pictures, pictures, pictures!!!

#### GOD'S BASEBALL TEAM

#### God's Baseball Team—submitted George Hoffman

Ok, so God probably doesn't have a baseball team, but it did make for a catchy title, don't you think? So why am I writing this and using a catchy title for a sports franchise that may not exist? Well, it all goes back to a little discussion I was having with some of the folks at the Finance Committee meeting a few weeks ago. Wait, you talk about baseball at a church meeting? Yep, sure do.

You ever notice how some teams seem to have a way of pulling off some great double plays and make it look so effortless? Everyone knows just what to do to make the best of the circumstance and it helps out the team by turning a quick 2 outs. A bit of practice and some head's up playing, and when the opportunity occurs, a quick two outs. What's not to like? Ok, so what does this have to do with the Finance Committee?!? Well, we were talking about how a little bit of practice would go a long way in helping the church with stewardship and giving.

Each of us makes a decision about how we will give back to God from the many blessings He bestows upon each of us. When you are donating money, I want to talk about how to get the most benefit out of what you give to the church. I'm not going to get into *how much* to give, that's something between each of us and God. I am going to help you use your money to make a "double play."

Like many folks, I have a credit card that earns me points that can be used for discounts. Love my Amazon points! So, I use my Amazon credit card to make my donations to the church. I spend the same amount as I would writing a check, and I get the benefit of earning points. To do this I use the Vanco web site that you can get to off of the church's web site at rumcweb.org. I put my donation into the "unified budget" as that gives the church the most flexibility to cover the many expenses we have. I set up a monthly donation so I don't have to remember to do anything (and no one has to remind me either!). So the church gets the most flexibility with my donation and I get my points. Double play!

Another thing to consider is the UMW gift card program. Most of us shop in the same places every month. Knowing this, I take my monthly budget for groceries, gas, gifts, and dining out and use that money to purchase gift cards for my favorite establishments. Did you know that the church can make between 3% and 12% off of your purchase through one of these gift cards? Did you know there are more options than the Orioles bullpen? I mean, every week we're shopping at Giant or Food Lion. I'm spending the same amount of money either way, and by using the gift cards, I'm making a free donation to the church. Bam! Double play!!

For the true all-stars out there: buy a UMW Amazon gift card. Hit the church website and click the "shop amazon" button on the top of the page. Make your purchase using the UMW gift card. We get money from the

gift card purchase, money from the Amazon partner program, and you get the gift. Triple play!!!

So your game plan is to try using the Vanco site to schedule donations to the unified budget. Check out all the UMW gift card options that are out there for the money you're already planning to spend. Let's get our donation dollars to start turning those double plays now! Stop me or Al Soskin if you have any questions. God bless and play ball!

Come out for a time of fellowship with our community. Light supper will be provided and good music provided by Washed Anew. Mark your calendars NOW!

In Memory of: Winnie and George (Bud) Garman For: Handbell Memorial By: Peggy Merryman

Congratulations to Phoebe Cleaver and Andrew Raab who were presented Helen Berryman Scholarships. We offer our love and our prayers as they bratuates begin the next chapter in their lives!

**From Sandy Kramer**: I am seeking a new living situation where I am provided a room and a bed, prepared meals for me and some means of transportation to places in the community. I do not have a paying job and will likely not work again. I do have monthly resources and am well behaved and do not bring women guests to my residence. I seek to give my life to God, our Lord Jesus Christ. I can be contacted at home at 410-526-4438 or by email at snkproguy@yahoo.com.

#### **Girl Scout Troop 2341**

If your daughter is in kindergarten or first grade and would like to join Girl Scouts, then we are the troop for you! We meet at RUMC in room 7 on Fridays from 6:30-7:30 pm. We have lots of fun!! Some fun things we have done are a pizza party, a trip to the zoo, and we have had a few guest speakers, just to name a few. An EMT from the Baltimore County Fire Department will be coming soon to teach us how to be safe in our homes.

We meet every other Friday in the summer beginning June 19th.

If you are interested in joining you can call or email Jess Thomas at 410-868-9937 or jessica.thomas702@gmail.com. Hope to hear from you soon!

#### Electronic giving doesn't take vacations

This summer, if you can't make it to church due to travel or other commitments, we encourage you to automate your regular donations. The church relies on the consistent financial support of the congregation and electronic giving offers an easy way to give on a recurring basis. Please visit the church website and locate the giving page. We thank you for your continued support!
