

Our Church Matters

Our Mission: Growing Together in Christ
Through Worship, Fellowship, Witness and Service

Dear Church Family,

I was recently reminded of the statistic that 80% of people abandon their New Year's resolutions by February. Of the people who are still going strong, numerically less than half will carry their resolutions through to the end of the year. That means only about 5-10% of people who start the year with goals for self-improvement or positive lifestyle changes actually see them through - a pretty bleak outlook if you ask me.

There was a time when I approached Lenten disciplines as if they were New Year's resolutions for my faith. After all, the liturgy says that Lent is a time for "turning around and beginning again" - an opportunity for us to hit the "reset" button on our faith. As you might imagine, though, my follow-through was not much better than the average resolution-maker. Invariably, I'd beat myself up for not trying hard enough, believing that the problem was about a lack of effort.

I've learned a lot about myself since then, and also a lot more about spiritual formation and how real, lasting change takes place.

The culprit is not our effort. Every year on Ash Wednesday, we hear or pray the words, "Create in me a clean heart, O God, and renew a steadfast spirit within me" (Psalm 51:10). What we do when we speak these words is acknowledge that transformation is God's work. It's not something we do to ourselves.

At the same time, we are also not passive participants in that work. To be sure, God can transform people when they are least expecting it and perhaps not even seeking it. Those situations are a bit analogous to an image I've seen of a flower growing out of a crack in the road. We look at that and see it as miraculous, because we know that is generally not the way flowers grow. Most flowers, like people, grow when they are surrounded by the right conditions for growth. In Lent, we can do our part in God's transforming work by creating the conditions that allow transformation to take place - not by trying harder.

Beginning on Ash Wednesday, we will embark on a study of James Bryan Smith's book, *The Good and Beautiful God*. It aims to help us abandon the false and unhelpful narratives we tell ourselves about God (e.g. "God wants me to try harder.") and place ourselves instead in the right environment for growth. Each week we will take on a different "soul training exercise" to help us, which may be a bit different from the New Year's resolution-style approach to Lenten disciplines many of us are used to. It also suggests that being in community with others is vital to the process of transformation.

If you aren't currently part of a small group community, I would encourage you to connect in with one of our Lenten study groups. There are three opportunities to participate virtually in the Lenten Study: Sundays at 6:30 p.m., Wednesdays at 1:00 p.m., and a group just for men on Wednesdays at 7:00 p.m. If none of those times work for you, you opt to read through the book with a few friends or just follow along in your own devotional time.

RUMC NURSERY SCHOOL

The Nursery School is now enrolling for the 2021-2022 school year. We have openings for 2, 3, and 4 year olds. We offer half day and full

day programs. We will also offer an 8 week summer camp program for preschool aged children. Your child can attend all 8 weeks, or just the weeks that you require. Each week will have a different theme including camping adventures, women of the Bible, Moses, and Dr. Seuss. All of our classes promote hands on learning in a Christian environment.

Program information and enrollment forms can be found on our website www.rumns.com or contact Lani Hoffmann for more information 443-996-9375 or lanilee05@gmail.com.

As you clean out your children's and grandchildren's summer clothes, please consider donating them to the Preschool's Tot Spot account. The proceeds earned will help offset our snack budget, which has increased this year with COVID limitations on homemade food and donations.

Parking lot drop offs can be arranged with Lani Hoffmann at 443-996-9375 or lanilee05@gmail.com as donations cannot be brought into the Church building. We are looking for clean and good conditioned Spring and Summer clothing, toys, books, and DVDs.

Thank you.
RUMNS staff and children.

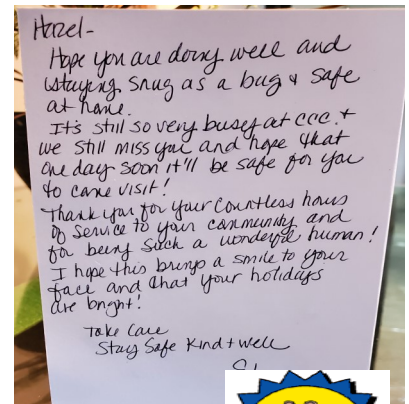

Congratulations to Hazel Mays on 30 years of service to the Reisterstown Community Crisis Center! Well deserved award!

Not sure how many years Hazel has served here at RUMC—but I for one am truly grateful for your service Hazel!

May God grant you many more years of service in His Name.

Blessings

Gift Card Orders—RUMW Fund raiser

February gift card orders are due in the church office by Feb.21

Each month RUMW sells Gift Cards/Shoppers Cards as our fund raiser and we have been doing this for 14 years. If you(there are some of you who have never purchased our cards) would help our efforts to raise money for our projects, you can get an order form on the website or at the information desk in the Narthex.

Tammy Nash and Lois Burton are passing the baton of this ministry on to Karen Green and will be helping Karen for a few months. Thank you Tammy and Lois for your years of service to this ministry!

To order your gift cards, orders and payments will still be due the 3rd Sunday of the month and the order forms will still be available on the website (www.rumcweb.org). The only difference will be in how and when you can drop off your order forms and pick up your gift/shopping cards.

You may email your questions to Karen Green at: karengreen023@gmail.com

Drop your order forms with payment to the office (Please put your phone number on the order sheet for her to contact you) —if I am not in, you may drop it off in the mailbox at the front door of the church—it's a locked mailbox so it will be secure. Then pick up your orders in the office during office hours one week later while we are still worshipping virtually.

Office hours are: Monday-Thursday: 8am-4pm and Friday: 8am-1:30 pm
Once we are back gathering in person, then we will revert to previous policy of dropping off your orders to Karen on the 3rd Sunday of the month and she will hand them out the following week.

Thanks
Robine

This is the only fund raiser for the RUMW because of the Pandemic. We need and want your support. You get exactly what you pay for and we make a profit. In the past 14 years, we made over \$44,000 for RUMW. We have several members that buy cards each month and use them for their grocery shopping and gasoline and eating out. In Jan 2021, our profit was \$126.18. Please support this program and buy and use Shoppers/Gift cards.

Thank you
Lois & Tammy

FINANCE COMMITTEE

A Message from your Finance Committee:

Thank you so much for your support of RUMC in 2020. We started 2020 with a deficit from 2019, but our additional pledge campaign helped cover that deficit. Then in March, we had to shut down because of the pandemic. You continued your giving through that time and RUMC was able to secure a Payroll Protection Program (PPP) Loan in April. This loan helped us cover salaries for the Nursery School and Church staff for eight weeks and helped us get through the summer and fall.

RUMC ended the year with strong giving that allowed us to break even - not taking into consideration the PPP loan. In January, we received notification that our PPP loan was forgiven.

As we begin the new year, RUMC continues to need your support. Regular giving not only helps us grow in our faith, but it also helps us in our planning (not to mention it helps keep my blood pressure under control!). Consider setting up recurring giving either through your bank's online bill pay option or the church's online giving program by going to our website at www.rumcweb.org and click on *Give Online* at the top of the screen.

Again, thank you for your support of the wonderful and life-changing ministries of Reisterstown UM Church.

Pat Botelle
Chair, Finance Committee

SISTERHOOD

SISTERHOOD

Sisterhood: Tuesday mornings and evenings via Zoom.

Ladies, you're invited to join us via Zoom as we continue our series: *Elevating Our Prayer Lives*. What do your prayers, my prayers, our collective church prayers, sound like? Take a moment to reflect on the subject matter of these prayers.

Now ask yourself, what are the models/examples of prayer in Scripture that we can follow?

Do you know any prayers in the Bible other than the Lord's prayer? It can be easy to focus solely on our temporal needs (especially health needs) and overlook the spiritual.

In this study, as we look at several of the prayers of the Bible, we will see not only day to day practical requests being presented to the Lord, but also spiritual needs and areas of spiritual growth. Join us as we seek to elevate our prayer lives by becoming more aware of spiritual areas to focus on in addition to our daily concerns, needs and desires. The Scripture passage for each week is emailed to participants in advance of each study, but there's not any homework. Feel free to reach out to Lorraine Marroulis (Marroulis22@gmail.com) if you have any questions or would like the Zoom meeting information.

I hope that some of you who have been meaning to join us will be able to hop on Zoom with us for one or more of this next series. Please feel free to reach out to me with any questions you might have. Below is the Zoom info for joining the sessions (Tuesday) morning and evening.

2021 Summer Camp - Registration is COMING SOON!

Change your child's life this summer – choose to send them to a week-long, residential Christian camp for a perfect balance of fun, friends, and faith that your child will never forget. Kids will learn something meaningful about themselves, feel the love and support of the community around them, and be inspired to live an authentic Christian life.

The Baltimore-Washington Conference runs two camps that offer a variety of options for campers 2nd through 12th grade. West River, on the shores of the Chesapeake Bay, is just 20 miles south of Annapolis. Manidokan is located on over 300 acres of mountain terrain near Harper's Ferry, bordered by the Potomac River and C&O Canal, just 20 miles west of Frederick.

Your kids will experience all that summer camp has to offer – kids will grow in their faith, paddle a canoe, climb a rock wall, take in God's beautiful scenery, soar down a zip line, fly on a giant swing, sail on the bay, raft on the river, learn more about the bible, play fun games, create arts and crafts, make s'mores over a campfire, help others, sing great songs, hang out with friends, ride a banana boat, shoot some hoops, or do tons of other fun activities.

Review camp options and register at www.bwccampsandretreats.com/. To request financial assistance, register for camp and complete a Camper Assistance Request. Forms are available at the Information Center and on the church's website. By March 28, 2021, forward completed requests to **Jill Wright** / jillwright1127@yahoo.com /410-458-8078.
